Key NABIP Wins from 2024, highlighted in this week's edition:

- Employer Reporting
    - Provides much-needed relief for employers seeking to comply with the reporting requirements under Section 6055 and 6056 for enforcement of the ACA
  - Mental Health Parity
    - NABIP's Mental Health Working Group authored a comment letter and members tirelessly met with Biden officials, members of Congress and committees, state regulators, the National Association of Insurance Commissioners, and insurance industry and employer coalition partners
  - State-Level Defense vs Single-Payer and Public Option Proposals
    - 15 state bills were blocked, including single-payer proposals in CA and CO, and a public option proposal in MN, protecting consumers from higher costs
  - Operation Shout and Member Advocacy!
    - 14 state-level Operation Shout! campaigns, amounting to 1,399 messages to legislators
    - 2 federal Operation Shout! campaigns, amounting to 2,811 messages to legislators
    - Over 6,000 advocacy survey results
    - 16 comment letters on the state level
    - 4 letters to Congress
    - Over 200 working group and regional meetings with NABIP members and staff focused on federal legislative and regulatory strategy
    - Nearly 100 NABIP staff meetings with legislators, regulators, and state commissioners
- 

Join us for NABIP's 35th Capitol Conference, from February 23-26, where over 600 top insurance and benefits professionals will converge in Washington, D.C. for a **dynamic exchange of ideas and strategies with healthcare policymakers, influential industry leaders, and elected representatives**. This premier event offers unparalleled networking opportunities and delivers the critical insights, tools, and actionable strategies

needed to drive meaningful change and shape the future of healthcare policy in a rapidly evolving landscape. Be part of the movement that defines the next era of healthcare solutions
